Dear Examiner Coppins:

I have spoken to the client about your proposed amendment; the client agrees that the cancers you listed can be inserted into the claim, particularly if this will lead to allowance.

Please let us know if you need us to submit anything formally to you, or if you will follow up with an Examiner's Amendment.

We appreciate your assistance and time on the examination of this application. Please contact me at the phone number above to indicate that you have received this correspondence and also to indicate if you need us to submit anything formally.

Very truly yours,

Teresa A. Lavoie
